

Access Statement

If you have any queries regarding the following statement please email us at info@hazelmerekeswick.co.uk or telephone 017687 74075 and we will be pleased to help in any way that we can, Lynne & Andy Jones

Hazelmere is a traditional Victorian house on 3 floors, though currently the letting rooms are on the first floor so guests need to be able to manage stairs as we have no ground floor bedrooms or an internal ground floor toilet. We do have storage for wheelchairs and would be happy to charge up an electric wheelchair for guests to use out and about.

One further thing to consider is we do have a small black cat (William aka "Bill") which, whilst not allowed in the guests' rooms or the dining room does go up and downstairs so guests with a cat allergy might not be comfortable. Bill also tends to lie on the landing at times so please watch your step as he can blend in quite well with the hall and stair carpet.

All paintwork is white contrasting to the colours of floor coverings.

All bedrooms have lights beside beds as well as main lights, all sockets are below 40cm height.

The property is totally non-smoking.

All rooms have thermostatically controlled radiators.

All electrical equipment is PAT tested annually for safety.

Mobile coverage is generally good for any service and WiFi works in all rooms.

The bus station is about half a mile away. The nearest railway station is Penrith some 18 miles away. There is a regular bus service to Keswick.

Shops in the town centre are about 5 minutes' walk away – the theatre and lake are a further 10 minutes' walk. Car hire and taxis are available in the town and telephone details are on display in the hall.

There are RADAR toilets in the town in Central Car Park (6 minutes' walk), on the old railway station, by the Theatre by the Lake.

Our brochure and all correspondence can be supplied in large print on request.

No furnishings or bedding contain feathers for guest's comfort.

The fire system was renewed in 2005 and provides dim emergency lighting on the stairways. The warning bell is a continuous horn designed to pass regulations to be heard in all areas. All rooms have smoke alarms and sensors.

There is a seat at the front of the property which guests may use for changing walking boots etc. The garden to the rear of the property is private.

Front Car Park/Entrance to Hazelmere

Car park - a tarmac area 2m240cm X 6m50cm

This car park is used for loading/unloading – parking space is gained from a lane to the side of Hazelmere. There is ample parking for 6 cars.
